(g) if so, the details thereof; and

(h) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) The Prevention of Food Adulteration Act, 1954 and Rules, 1955 have been enacted to prevent adulteration in food stuffs and to save consumers from frauds and deceptions. The standards of various food articles have been prescribed in Appendix 'B' of the said rules. Food articles sold in the markets are required to conform to the specifications laid down under PFA Rules, 1955. The implementation of the PFA Act, 1954 and Rules, 1955 is entrusted with the Food (Health) Authorities of the States/U.Ts. The enforcement staff of the States/U.T. draw random samples of various food articles from time to time to check adulteration in food commodities and action is taken against the offenders where the samples do not conform to the prescribed standards or do not conform to various provisions of the PFA Act, 1954 and Rules, 1955. There is no provision in PFA Act, 1954 and Rules, 1955 to compensate for loss of lives and properties.

(c) to (e) Action is taken under Section 16 of the PFA Act, 1954 where samples are not found to be conforming to the PFA standards, against all persons found responsible for conduct of business of a company or the person nominated under section 17(2) of the PFA Act, 1954. The offenders are awarded punishment by the courts ranging from six months to life imprisonment with fine depending upon the gravity of offence.

(f) This Act is not concerned with tax evasion.

(g) and (h) Does not arise.
